Mayor Stutzman: Everyone is invited to Light up Sugarcreek on December 2nd from 4-7 p.m. downtown.

Village Administrator, Kaser: The traffic light at Shanesville square has been adjusted but is still not working properly. The manufacturer will be in the village the first week of December to rectify the problem. The light at Factory and St Rt 39 will also need adjusted.

Police Chief Kaser: The new cruiser should be delivered within the next week.

Safety Committee Chairman Beachy: There are several streetlights out on Miller Ave. Kaser pointed out that they have been reported, it is up to AEP to come out and check them. If it is an intermittent problem, sometimes they need to come out more than once.

Streets, Water and Sewer committee chairman Fanning: A resident asked if a sign could be put on St. Rt. 39 close to the school for no jake brake use. Kaser said there should be one there already, but he will check to see if it has been removed. He also pointed out it is difficult to enforce the restriction.

Josh Jarvis asked everyone to please keep Tusky Valley in their thoughts and prayers as they are going through a very difficult time.

Miller asked for an update on the cheesemakers' statue. It will probably be spring before it is set in place since it was delayed this year. The artist will store it until we are ready to put it in place.
