Held OCTOBER 19, 2026 20 ____

Sugarcreek Village Council held a public hearing at Village Hall on October 19, 2026, 6:50 p.m. with mayor Walt Wilson presiding.

In attendance were Mayor Wilson, Village Solicitor Doug Frautschy, Village Administrator Kevin Kaser, Fiscal Officer Connie Goddard, Council members Jason Hamsher, Thomas Brown, Sam Beachy, Anthony Martire, and Matt Miller.

Agenda: Comments and questions regarding the following ordinances.

ORDINANCE 26-2437

Changing the zoning of the Jalen Mast property in the village of Sugarcreek, Ohio from R-1 to R-3.

Ordinance 26-2438

Changing the zoning of 947, 951, 957 and 965 W Main Street in the village of Sugarcreek, Ohio from R-1 to B-1.

Myron Weaver, who lives at 951 Walnut Drive, asked what would happen to the closed alley in front of his house if the rezoning was approved. He commented that the alley is only wide enough for one car and he is concerned about the traffic if that alley is opened. Mayor Wilson told Weaver that council has discussed that alley and decided it will remain closed.

There were no further questions or comments, and Wilson adjourned the meeting at 7:56 p.m.
